BACKGROUND ANALYSIS:

This is the twenty-fourth annual Oregon Jamboree. Sankey Park will again be utilized by the event and will host two beer gardens, a second stage, a children’s play area and various vendor booths.

The Jamboree is requesting that the park be closed to the public several days in advance. They have asked for park possession four day in advance of the event. A portion of 18th Ave will again be blocked off 24 hours a day during the event to protect concert patrons.

The Police Department will maintain staffing during the event. Officers will be on foot, in vehicles and on bikes covering not only the Jamboree Grounds but also the nearby surrounding campgrounds. The jamboree will continue to augment police staffing using DPSST certified private security personnel to deal with unruly patrons.

The Oregon Jamboree also has 23 camp sites of varying sizes throughout the City. There are roughly 2648 camp sites that are rented out throughout the weekend.

The daily attendance is typically estimated at between 11,000 to 15,000 people.

The enforcement and security effort of SHPD is augmented with assistance from the Linn County Sheriff’s Office, the Lebanon Police Department and the Oregon State Police.

FISCAL IMPACT:

This event has substantial impact on several City agencies. Funds spent in support of this event may impact our ability to provide general services to the City later in the year, should an emergency arise. Conversely, the event has a powerful and positive impact on the community as a whole and the City’s support of the event is warranted.

ALTERNATIVE:

Grant some or none of the requests made by The Oregon Jamboree.
