

Resolution No. 7 for 2018

A RESOLUTION SETTING RATES AND FEES FOR WATER SERVICES.

WHEREAS, the Sweet Home City Council has provided that Water User Rates should be established by resolution, in accordance with Ordinance No. 1174; and

WHEREAS, the Water User Rates were last adjusted July 2016 and need to be adjusted herein to ensure adequate funds are received to cover the annual cost of operation and maintenance, replacement, and other administrative costs of the Water Utility.

NOW, THEREFORE, BE IT RESOLVED BY THE SWEET HOME CITY COUNCIL that effective June 18, 2018, the water user charges shall be as follows:

Section 1 - The rates for water use to be charged for each billing period are as follows:

A minimum charge for each water service inside the city limits will be made according to the meter sizes as follows.

Meter Size	Monthly Base Charge
3/4 inch	22.91
1 inch	28.98
1-1/2 inch	37.08
2 inch	59.35
3 inch	223.34
4 inch	284.08
6 inch	425.79
8 inch	587.76

Residential Users (inside the City Limits): The monthly base charge is to include the first 300 cubic feet of water consumed for all residential customers only. A consumption charge of \$7.86 per 100 cubic feet for water used, over 300 cubic feet, shall be made in addition to the Monthly Base Charge for all meter sizes for all residential customers only.

Commercial Users (inside the City Limits): A consumption charge of \$7.78 per 100 cubic feet for all water used shall be made in addition to the Monthly Base Charge for all commercial customers per meter size.

Bulk Users (inside the City Limits): A consumption charge of \$7.54 per 100 cubic feet for all water used shall be made. Bulk use includes consumption for special portable metered or estimated water usage (e.g. swimming pool fills, tanker fills, street sweeper fills and other bulk usage). Such usage must be with permit as approved by the Public Works Director.

Water Users (outside the City Limits): Monthly charges will be computed at 1.5 times the inside city rate as stated above for residential, commercial and bulk users.

The Monthly Base Charge for a meter on a water line installed solely for the purpose of providing fire protection shall be the 3/4 inch rate charged for a residence. If the monthly reading of the meter indicates any usage, the Monthly Base Charge will be the normal charge for the meter size installed as shown above in addition to the charge for consumption.

For purposes of this resolution, the City Council shall annually review Water Rates before May of each year and set the new monthly rate for bills sent out each July.

Section 2 - Miscellaneous water service fees are established by resolution and contained in the city's Public Information, Records, Research and Miscellaneous Fees schedule.

Section 3 – Other associated fees, practices and charges for water and sewer installation and hookup are described in the city's code of ordinances.

It has been determined that these rates and fees are classified as not being subject to Oregon Constitution, Article XI, Section 11b limitations.

This Resolution supersedes all prior resolutions on water rates including Resolution No. 21 for 2017.

PASSED by the City Council and approved by the Mayor this 12th day of June, 2018

Mayor
