Verizon Wireless (“Verizon”) is proposing to build a new Wireless Telecommunications Facility (“WTF” or “Facility”), OR4 Foster Lake, located one property east of 1602 18th Avenue in Sweet Home, Oregon. This proposed new WTF is intended to fill a significant gap in Verizon’s high band 4G LTE coverage and expand capacity for its customers in the City of Sweet Home. The subject property contains 57,934.8 square feet and is in the Industrial (M) Zone.
5. **Public Hearing for File CU19-10:** The applicant has requested a Conditional Use Permit in order to install a wireless telecommunications facility consisting of a radio antenna on a monopole connected to the Sweet Home Elk’s Lodge and associated equipment within a 362 square foot fenced compound. The radio antenna is needed to continue to operate the Falls Creek Hydroelectric Project. The project needs to improve the communication it has with Pacificorp substation on 18th Avenue in Sweet Home. The subject property contains approximately 3.65 acres and is in the Residential Low Density (R-1) Zone.
6. Staff Update on Planning Projects
7. Adjournment

Persons interested in commenting on these issues should submit testimony in writing to the Community and Economic Development Department Office located in City Hall prior to the hearing or attend the meeting and give testimony verbally. Persons who wish to testify will be given the opportunity to do so by the Chair of the Commission at the Planning Commission meeting. Such testimony should address the zoning ordinance criteria which are applicable to the request. The Sweet Home Planning Commission welcomes your interest in these agenda items. Pursuant to ORS 192.640, this agenda includes a list of the principal subjects anticipated to be considered at the meeting; however, the Commission may consider additional subjects as well. This meeting is open to the public and interested citizens are invited to attend.

The failure of an issue to be raised in a hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals based on that issue.

A copy of the application, all documents and evidence relied upon by the applicant and applicable criteria are available for inspection at no cost and a copy will be provided at reasonable cost. A copy of the staff report will be available for inspection at no cost at least seven days prior to the hearing and a copy will be provided at reasonable cost. Please contact the Community and Economic Development Department at 3225 Main Street, Sweet Home, Oregon 97386; Phone: (541) 367-8113.
