This meeting is open to the public and interested citizens are invited to attend.

The failure of an issue to be raised in a hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals based on that issue.

 - At the commencement of a hearing under a comprehensive plan or land use regulation, a statement shall be made to those in attendance that:
READ: “The applicable substantive criteria are listed in the staff report. Testimony, arguments and evidence must be directed toward the criteria described or other criteria in the plan or land use regulation which the person believes to apply to the decision. Failure to raise an issue accompanied by statements or evidence sufficient to afford the decision maker and the parties an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals based on that issue.”
- Declarations by the Commission:
 - Personal Bias - Prejudice or prejudgment of the facts to such a degree that an official is incapable of making an objective decision based on the merits of the case.
 - Conflict of Interest - Does any member of the Commission or their immediate family have any financial or other interests in the application that has to be disclosed.
 - Ex Parte Information - The Planning Commission is bound to base their decision on information received in the Public Hearing and what is presented in testimony. If a member of the Planning Commission has talked with an applicant or has information from outside the Public Hearing it needs to be shared at that time so that everyone in the audience has an opportunity to be aware of it and the rest of the Planning Commission is aware of it.
